# CERTIFICATE

## OF INTERNSHIP

**This is to Certify that**

## Mr. Suprith GB

USN: 1RV23CS255

**Has successfully completed his internship by contributing to the development of a Dual SPI SDI-to-Fiber interface and implementing Ethernet functionality on the NXP microcontroller at RiverSilica Technologies Pvt. Ltd.**

**For the period of 28th July 2025 to 4th September 2025.**

During this period, he was actively involved in a variety of information gathering and integration of the module into our product, whereby he has consistently demonstrated hard work and excellent integration, strong learning, and communication skills.

His enthusiasm, willingness to learn, and proactive approach have greatly contributed to the project he has worked on.

We wish him the best for all of his future endeavors and for his successful completion of his education and his professional future.

**Mr Balaji Jaganathan**
**Founder & CEO**
